MACC  
CARE

A stunning home,  
at the heart of  
**local community life**

**Dora Rose is truly special - a bespoke care home, beautifully located in the semi-rural village of Milford in Staffordshire. Bordering Cannock Chase, the beautiful home enjoys stunning leafy views and residents and their families can enjoy the therapeutic benefits of nature, right on the doorstep. It's not unusual to see fallow deer gently grazing in our gardens or roaming amidst the trees.**

Designed to an exceptionally high standard, Dora Rose's environment has to be seen to be appreciated. Accommodating up to 71 people, the home attracts many residents who wish to remain within their locality and this creates a wonderfully tight-knit community-feel.

The calibre and commitment of our team is second to none - we aim to look after you, or someone close to you, just like family - with warmth and compassion, prioritising individual wellbeing and personal happiness at all times.

“Having tried to keep my mom in her own home for as long as we could, it became clear we needed care for her full-time. We found Dora Rose and we have not looked back.”

VR (Daughter of Resident)

“From the moment you set foot in the building, with the friendly greeting, it is apparent that you have entered a well-run organisation with excellent teamwork. And the ingenious activities team are a real inspiration to both residents and their families.”
