Everything good care should be

Typical MACC Care bedroom

Homely, established and with many long-standing residents, Priestley Rose in Erdington offers the perfect blend of first-rate care within a warm and welcoming community; one that reflects the diverse culture of its locality.

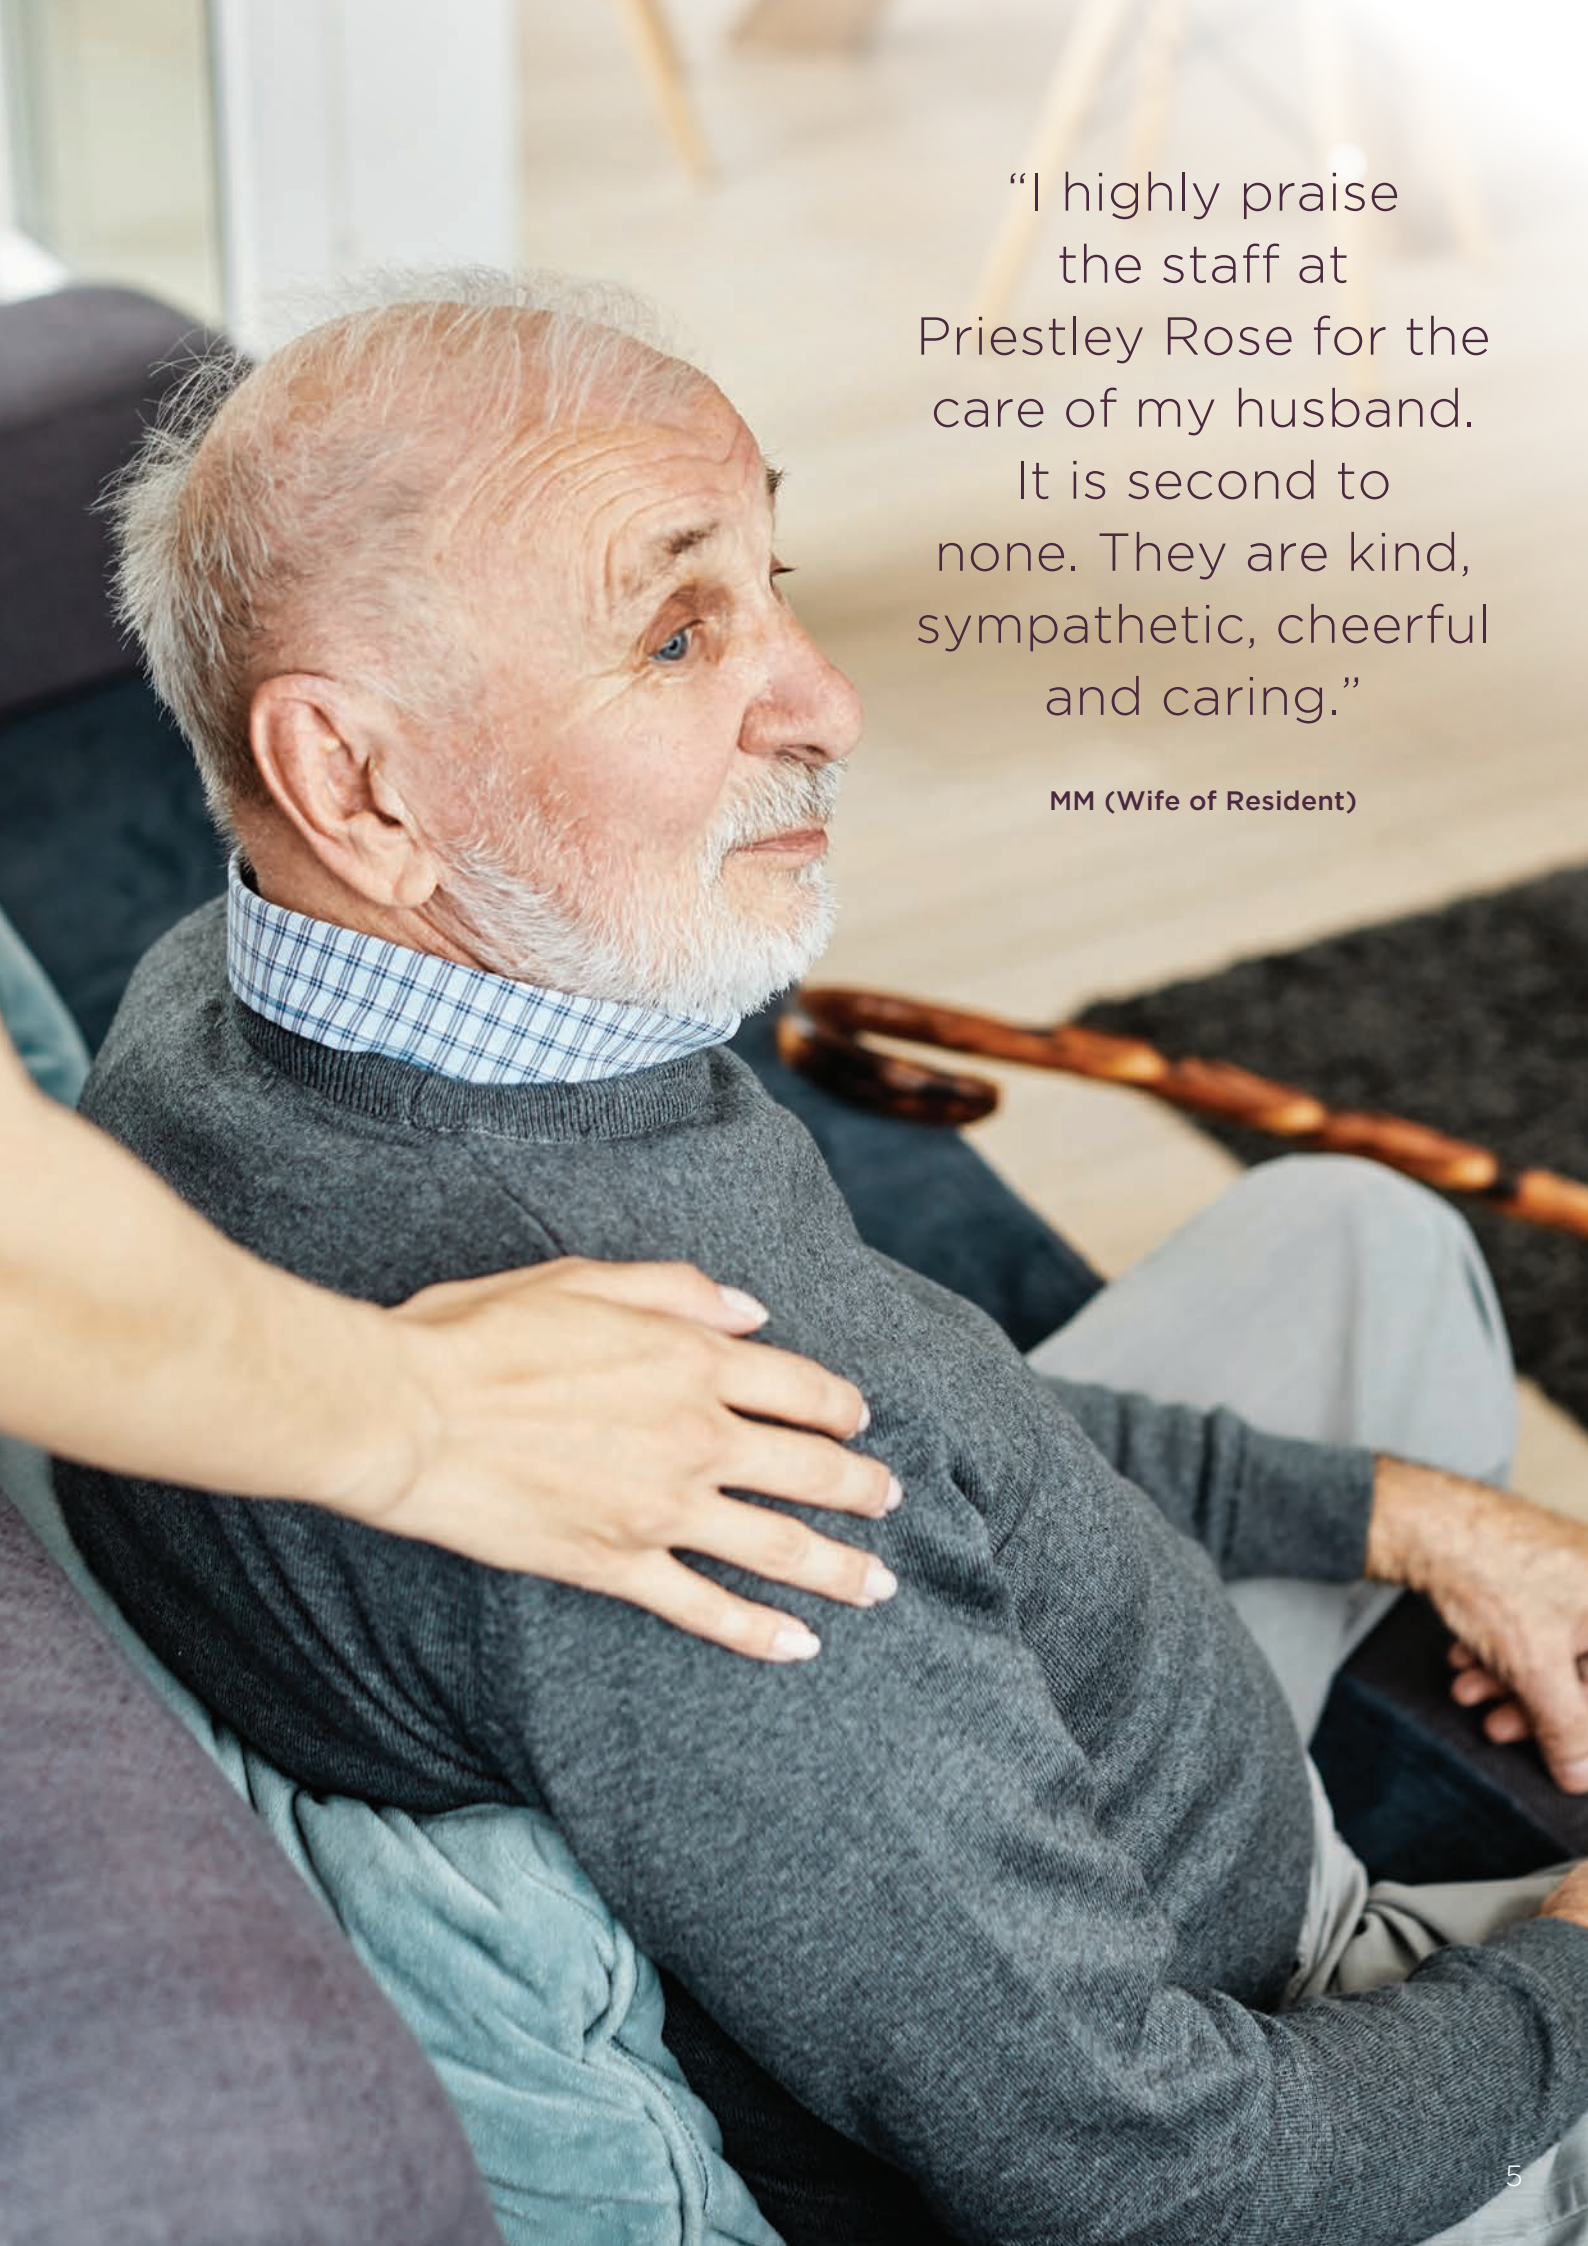

The home comfortably accommodates up to 45 residents, its sunny character maintained by an excellent team of nursing staff and carers, many of whom have worked with the home for over a decade.

The 'feel' of Priestley Rose is happy, warm and traditional – exactly the kind of environment that anyone would wish for in later life, with truly dedicated care, companionship and support.

Residents feel safe and settled here. Together with a balanced care plan for each individual, we actively encourage independence wherever possible, with team members striving to support personal interests and hobbies.

From an engaging activities and events calendar, to superb amenities and lovely communal spaces for building friendships and enjoying new experiences, inside and out, life at Priestley Rose is conducive to individual wellbeing. Close links with family members, friends and the local community, keep us all connected as one big family.

“I highly praise
the staff at
Priestley Rose for the
care of my husband.
It is second to
none. They are kind,
sympathetic, cheerful
and caring.”

MM (Wife of Resident)

“My mom had always been very ‘anti’ homes of any kind, and for her to settle as quickly as she did was testament to the lovely bright and friendly atmosphere of the home itself, together with the happy smiley faces and positive attitude of everyone around her.”

Diane (Daughter of Resident)

Quality without compromise

Priestley Rose offers a true 'home from home' for its residents. The majority of bedrooms are single occupancy, though a number of double occupancy rooms are available for couples or friends. Residents are encouraged to bring their own personal belongings and keepsakes to make the space their own.

Attractive communal spaces include three bright and airy lounges, a cosy dining room with soft furnishings and at the rear of the building, a lovely lawned garden, complete with tables and chairs – perfect for socialising, activities, a spot of gardening and relaxing during the warmer months.

Excellent facilities and amenities

Just as you'd expect from MACC Care, considerable emphasis has been placed on ensuring that every resident at Priestley Rose, regardless of their care needs or abilities, can be safe and well whilst enjoying life in the home.

What sets us apart

Priestley Rose's highly experienced nursing and care team supports each resident, whilst helping them to retain as much independence and choice in their daily routine as possible.

For comfort and wellbeing, a range of additional services are available, including access to a weekly in-house hairdresser and manicures. We can also arrange for Podiatry, Physiotherapy, Occupational Therapy, Dental Hygiene and Eye Testing.

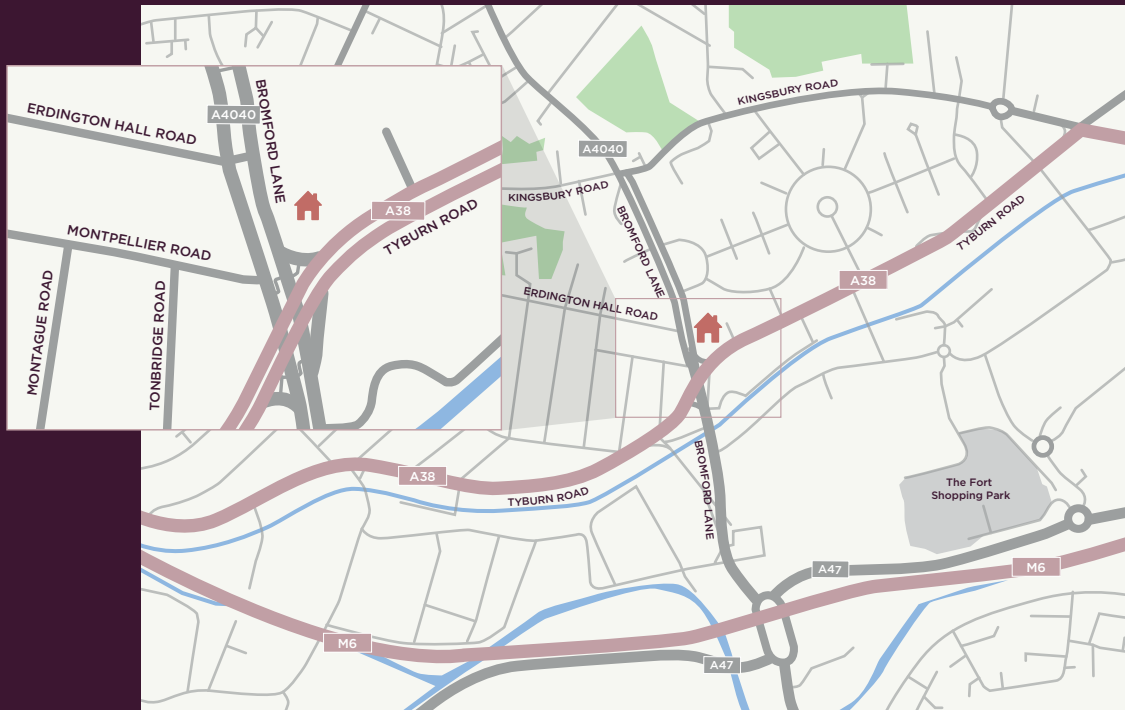

Whether you are looking for long-term care or respite support, perhaps for a period of convalescence, we can offer the best care to suit your individual needs.

- Relatives often have a great affinity and fondness for the home, keeping in touch and supporting us and our community long after their loved ones' residencies
- Priestley Rose epitomises the idea that good care is all about people and personalities
- Carers, nurses, residents and relatives... everyone knows each other so well and the home works harmoniously
- Our well-tended gardens may be small in size but more than make up for it in colour and vibrancy (we're a green fingered bunch!)

“I'm proud to lead a dedicated team that provides high quality care to residents, treating all with respect and dignity. We as a team strive to create an ideal environment, where the staff and visitors are very much part of the 'family' too.”
