Your place to call home

Wulfrun Rose is an established and highly-regarded care home, set in the residential area of Bushbury, near Wolverhampton.

Modern, purpose-designed and equipped with excellent amenities, the home provides a comfortable and stress-free living environment for up to 67 residents.

Welcoming and inclusive, it's a place where different cultures and lifestyle choices are embraced and celebrated. Our aim is to provide a warm and supportive 'home from home' environment, where residents can be true to themselves and feel loved.

Our team goes above and beyond to deliver excellent care, whilst nurturing the sense of belonging that is so important for every resident. For fun, friendships and enrichment, there's always plenty going on - from trips away and special events to coffee mornings, weekly activities and games, all suited to the interests and abilities of residents. Family and friends are encouraged to join in too, so people can get together and share experiences.

“I just think this home is amazing. The way they care for my relative is second to none and I couldn't ask for them to be placed anywhere better.”

Quality without compromise

Wulfrun Rose feels homely and calming. Each bedroom is well proportioned, single occupancy and en-suite, ensuring privacy and dignity for each resident. Bedrooms also include a nurse call system, profiling beds and a television.

Communal areas including our café, lounge, dining area and entertainment rooms are light-filled and attractive - perfect spaces in which to enjoy friendships and socialise. Dedicated areas for quieter, more contemplative times include peaceful spaces and outside, a wonderful sensory garden.
